ISSUE OF BRITISH COPPER COINS FROM TREASURIES.

Circular No. 1488, *dated 3rd December* 1880.

Under orders of the Government of India the Comptroller has the honor to intimate to all District and Taluk Treasury Officers that the circular instructions of this Office No. 4471 of May 1880 are withdrawn and cancelled.

Instead of paying a fixed percentage of the amount of Public Works cheques and Civil, Military, Local Fund and other establishment bills in British copper as directed in that circular, the Treasuries will issue such an amount of British copper as may be asked for in payment of such demands.

District Treasury Officers are further requested to ascertain and report to this Office the rate at which British copper are to be had in the bazars at the kasba of each taluk. The Amildars should send their reports at once to the District Treasury. This information is urgently wanted for communication to the Government of India.
